

# Spring Snow Quilt

## Class Information

The Spring Snow Quilt is a great curved piecing quilt with a touch of tradition and a lot of modern. Specifically designed to be made with the 12" Clammy the pattern is both Charm Pack and Layer Cake Friendly! Select from several different layout options and learn Latifah's pattern hacks to make this look like a completely different quilt with just a few changes. If you're a pro at curves or if you're just starting the 12" Clammy is a great size to perfect the pinless curved piecing technique.

In class we will work on either a Baby Quilt or Lap Quilt. If you choose to work on a larger size you will have enough done where you can finish it easily at home!

The fun thing about this pattern is just changing fabric can drastically change the quilt and allows for a lot of room for personalization. I give you fabric requirements for two common versions. Version 1 creates Circle Units. And Version 2 focuses on the Orange Peels (A) and the Centers (B).

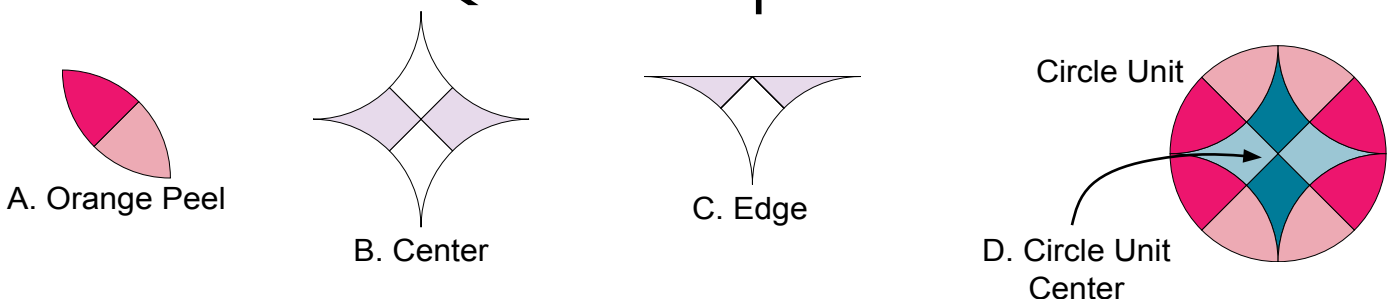

A charm square is the perfect size for all components of this quilt. So, if you're working from scraps a 5" square is approximately what you need.
